

Delivery Services

This service is available in select zip codes only.

We offer two types of delivery depending on the items being delivered. Most items we sell are available for delivery unless otherwise noted on the tag and we only deliver to addresses within the following zip codes. If it is not listed here then we do not provide delivery to that address. The fee for delivery is determined by the items, quantity, and zip code.

All deliveries are to exterior areas only and must be an easily accessible drop location like front door/porch, driveway, garage, alley, reception desk, etc. Items will only be placed in a single location that is accessible by our vehicle. If no one is home to receive the delivery, the delivery will be left in the drop location pre-determined at the time of purchase.

We will not bring items inside your home. If you are in need of this type of in-home/white glove delivery please contact Store to Door, 502-376-4636, storetodoor.us

Lastly, we do deliver the fountains we sell but this is a parts-only delivery service. We are plant experts and sell fountains as a courtesy; therefore, we do not install/setup fountains. You will be given all parts and instructions for the fountain installation upon purchase and if you need assistance installing your fountain, we would recommend calling a plumber or a business offering home repair services.

Floral Delivery - \$20 (\$40 out of area)

Items eligible for this service must weigh less than 40lbs and be no larger than 36" tall by 40" wide in total and fit into the back of a sport utility/crossover vehicle. If the order consists of mulch and/or soil only, then up to five bags total of our largest size can qualify for the floral delivery rate. If the order is a combination of other items as well as mulch and/or soil, then up to three bags would qualify.

Floral deliveries are typically made within 48 hours of the purchase and are to the recipient's front door or porch, driveway, garage, reception desk, or funeral home delivery entrance only. We will not bring items inside someone's home. If the delivery is a gift, we must also have the contact information (including phone number) of the recipient to notify them of the delivery. If no one is home to receive the delivery, the delivery will be left in a drop location pre-determined at the time of purchase.

General Delivery - \$90 (out of area \$120)

This service is for all larger items requiring a team lift or truck/van to deliver. General deliveries are typically made within 5-7 days of payment (excluding weekends) to any exterior "drop" location. Items will only be placed in a single location that is accessible by our vehicle. If no one is home to receive the delivery, the delivery will be left in the drop location pre-determined at the time of purchase.
